# + Our inspiration

# + What we did and do...

## ■ Dialogue Training

## ■ Dialogue in Society

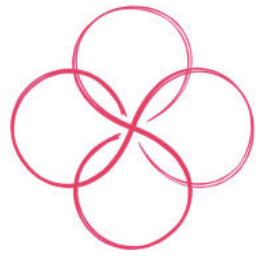

## ■ Dialogue in Organisations

## ■ Dialogue and Personal Development

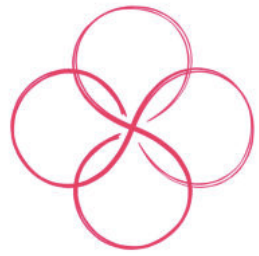

## + A definition of dialogue

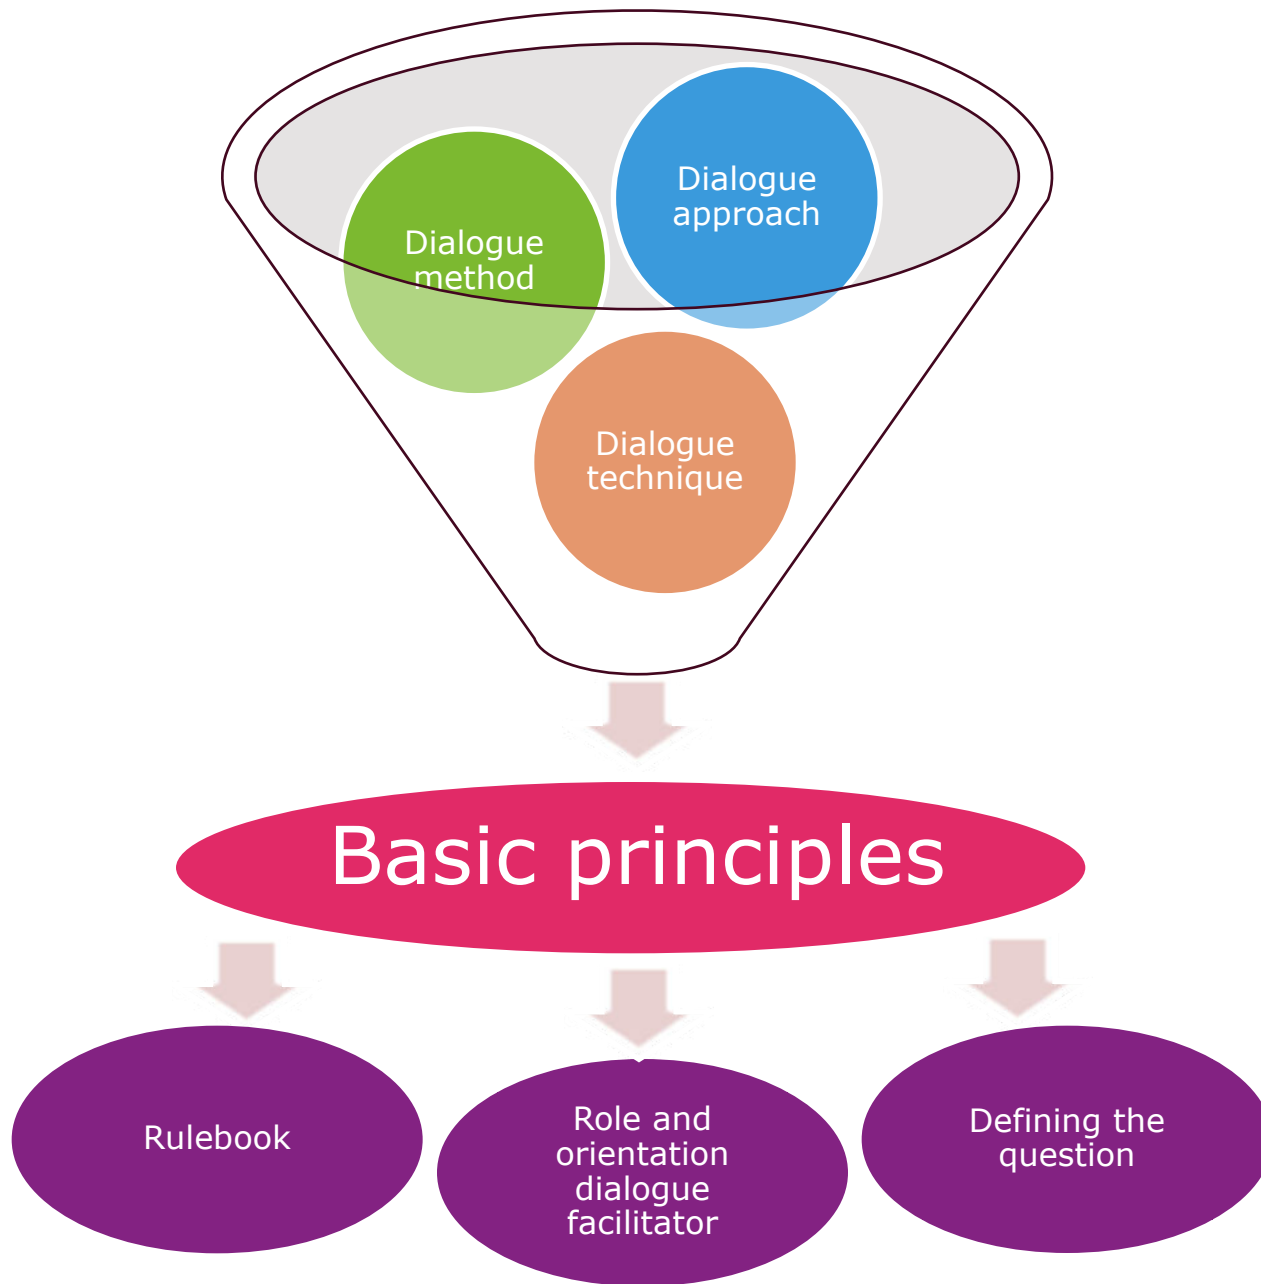

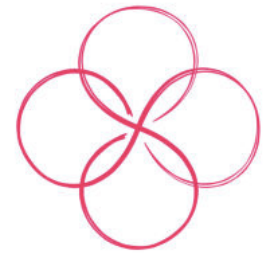

*Jointly examining a question by listening attentively,  
sharing experiences, and reflecting on the insights*

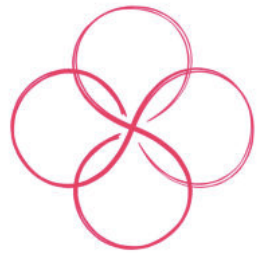

## + Why dialogue?

*In order to make well informed and wise decisions,  
which benefit the individual and the community,  
we need live inquiry in dialogue with each other:  
to **connect and to think together.***

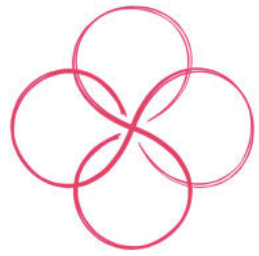

# + Basic principles of dialogue

- Equality
- Inquiry
- Listening attentively
- Expressing yourself
- Being with what is
- Suspending assumptions and judgements
- Slowing down and stillness
